Mr. Jesse Wright
3550 S. Washington Avenue
Titusville, FL 32780

Dear Mr. Wright:

I wanted to thank you for meeting with my office and for presenting your plan to redevelop the old "Sears Town Mall" in Titusville.

I believe that this project will be a tremendous asset to Titusville and the surrounding areas. It is apparent that you understand the needs of Titusville and found a new use for this land that will revitalize and grow the area. Also, your direction of mixed development will not only ensure much needed housing, but will also address the medical and other needs of nearby residents.

I am sure that your project will reward the area with great benefits and wish you the best of luck with this endeavor. Should you ever need the assistance of my office in the future, please do not hesitate to reach out.

Respectfully,
